Art. 1.2. Exclusions

Art. 1.2.1. This contract does not cover any **sales contract** you make with a **private individual** or with an **associated company**.

Art. 1.2.2. This contract does not apply to any **sales contract** under which payment is to be received:

- a) before **delivery** in your country and before **shipment** for export sales,

- i) sustained on interest for late payment or any penalties or damages.

The aforementioned exclusions shall be applied in accordance with Article 9 of the General Provisions, insofar as they refer to the non-compliance with contractual obligations.

- **sales contract** made with government departments and local authorities,
- consequences of a decision taken by the government of your country that hinder the execution of the **sales contract** or prevent the payment of the **debt**.

■ RISK MANAGEMENT

Art.2.1. General Principles

You must exercise due care in granting credit to your buyers, with regard to both the amount and the period of credit, and must manage all business which is covered under this contract with at least the same diligence and prudence as you would reasonably be expected to exercise were it not insured.

You must also use all reasonable endeavours to preserve your rights against both your buyers and any third parties. In order to minimise the risk of loss, we are equally entitled, but not obliged, to make agreements to secure the unpaid **debts** on your behalf.

You must keep for your own account any portion of the risk not covered by us, unless we agree in writing. Any risk beyond the *insured percentage* applicable to the credit limit or the **net debt**, which ever is the lower, may not be insured elsewhere or covered separately.

Art. 2.2. Credit Period

Art. 2.2.1. The initial credit period you grant your buyers must not exceed the *maximum credit period*.

Art. 2.2.2. You may grant one or more extension periods, provided that the total duration of the credit period does not exceed the *maximum*

credit period.

Art. 2.2.3. You must obtain agreement from us before you extend a **due date**:

- a) if the extended **due date** falls outside the *maximum credit period*,
- b) for a buyer on whom we have cancelled a credit limit,
- c) for a buyer for whom a **notification of overdue account** has, or should have, been made.

Art. 2.3. Notifications of adverse information or overdue account

You must notify us in writing:

- a) as soon as you become aware of any **adverse information** concerning a buyer,
- b) as soon as you have information indicating that a buyer has or will become **insolvent**,
- c) of any **overdue account** which remains unpaid at *the time limit for notification of overdue account*. In the **case of cash against document sales**, you will send us a **notification of overdue account** within 30 days of the arrival of the documents and the goods at the place of **delivery**.
- d) immediately of any sums you receive after you have notified us of an **overdue account**.

Art. 2.4. Behaviour in case of overdue account

In case of overdue account you must take all measures as may be considered necessary, whether by you or by us, to prevent or minimise the consequences of the claim. You must pursue diligently and in good time any rights you may have over, including rights to recover goods or to protect your or our rights or to secure the payment of the **debt**.

■ CLAIM PAYMENT

a) Art. 3.1. Payment level

We will pay the *insured percentage* of the **net debt** or of the credit limit if the **net debt** exceeds the credit limit.

Art. 3.2. Conditions of payment

The claim payment can only be made if you have duly complied with all the terms of this contract and have sent us all written evidence of the **debt** and the **security** possibly obtained and, if applicable, of the **insolvency** of the buyer.

Art. 3.3. Subrogation

We shall have full rights of subrogation to all your rights and actions in relation to the principal and the interests of the insured **debt** and to the **securities** attached to it. You will give us any documents or titles we may require to exercise this subrogation effectively and will make any assignments or transfers required in our favour.

The subrogation will not relieve you of your obligation to take any such measures as may be deemed necessary to recover the **debt** and to comply with our instructions.

Art. 3.4. Disputed debts

In the event of a **dispute** arising in connection with the **debt**, cover is suspended in respect of a claim until the **dispute** is resolved in your favour by arbitration or by a final court decision, binding on both parties and enforceable in the buyer's country.

Art. 3.5. Return of payment

We may require a claim payment to be returned to us if it subsequently appears that such a claim should not have been paid under the provi-

sions of this contract and if, in the case of **insolvency** of the buyer, the **debt** is not subsequently admitted to rank.

Art. 3.6. Maximum liability

The total amount paid in respect of the claims relating to **debts** arising from risks in a single *insurance period* will not exceed the *maximum liability*.

■ ASSIGNMENT OF THE RIGHTS UNDER THIS CONTRACT – ASSIGNMENT OF DEBT

Art. 4. You may only assign your rights to payment of claims to a third party with our prior written consent. Your obligations under this contract will remain unaffected. The loss payee will have no more rights to payment than you, and our rights under this contract shall continue to be exercisable notwithstanding the assignment.

You may assign the **debts** to the financial institution acting as the loss payee, provided that you have assigned the right to payment of claims as described above.

■ PAYMENTS

Art. 5. You will pay all amounts due from you under this contract as they fall due and will not be able to offset any payment you may consider we owe you, even if we recognise that a claim is payable, unless offset would take place before the occurrence of a cause of loss. The payment of the premium will not alone give us the obligation to pay for a loss, as the loss will in any case be subject to the terms of this contract.

■ CURRENCY

Art. 6. If the invoices are issued in a currency other than the currency provided for in the Schedule, the receipts will be converted into the *currency of this contract*, as follows:

- for calculating the **net debt**:
at the *exchange rate* in force on the last working day of the month that the relevant invoice was issued with any payments received in respect of that invoice being converted at the same rate.
- for the amounts recovered after payment of claim:
at the actual rate when you or we collected such amounts or failing such rate, the *exchange rate* on the value date mentioned on the bank credit note.

■ ADVISING US OF CHANGES – CANCELLATION OF THIS CONTRACT IN CASE OF INSOLVENCY

Art. 7. You must inform us within 10 days of any substantial change in the information given in the application form, particularly in the nature or the scope of your activities or in your legal status.

We reserve the right, if your company is in state of insolvency or in case you cease your business activity, to terminate this contract with effect from the relevant event.

■ RIGHT OF DISCOVERY

Art. 8. You undertake to allow us to exercise the right of discovery, and particularly you will provide us with any documents and/or certified copies relating to your **sales contracts** and will allow us to make any check, including verifying whether you have fulfilled your obligations and made your declarations in a complete, exact and truthful manner.

■ OBSERVANCE OF THE TERMS OF THIS CONTRACT

Art. 9.1. In the event of non-payment of either the first premium or a single one-off premium we are entitled to cancel this contract pursuant

to § 38 of the Insurance Contracts Act. Unless complete payment of the premium has been made we are not obliged to indemnify.

If you do not pay any subsequent premium (including interest, insurance tax and costs) completely within a period of 2 weeks after receipt of our written reminder, we are entitled to cancel this contract without notice in accordance with § 39, par. 3 of the Insurance Contracts Act. We are not obliged to indemnify should any claim occur after the expiry of this period.

This cancellation shall be revoked if you make a complete payment of the due premiums within a period of one month after our **notification** of the cancellation. The reminder shall be sent by registered mail with indication of the legal consequences resulting from overdue payment.

Art. 9.2. If you do not correctly fulfil an obligation (warranty) imposed on you by law or by contract, we are exempted from claim payment in an individual case without a cancellation being necessary unless such violation took place without fault.

If an obligation for the purpose of diminishing a risk or preventing an increase of risk is concerned, the legal consequences as agreed come into effect if the culpable violation has influenced the occurrence of claim or the volume of our payment. If an obligation is concerned which must be fulfilled after occurrence of claim, the legal consequences as agreed come into effect if the violation was caused by intent or gross negligence and has influenced the determination of a claim or the determination or the scope of our payments.

Art. 9.3. In case we are being exempted from claim payment and insofar as an indemnification for the **debt** concerned was already paid, you shall be obliged to reimburse us such indemnity.

Art. 9.4. In all these cases, the legal obligation to pay premiums remains unaffected.

Data (including personal data) provided by you under this contract will be used for the management of your credit insurance contract and for the needs of our insurance activities and, as the case may be, our credit assessment, credit management and financing activities. They may be transferred for these purposes to our reinsurers, to the Coface affiliates and to Coface partners.

Art. 10.2. We may use personal data provided by you for marketing reasons, for example to inform you about our new products or those of the Coface affiliates and about any changes to the existing products.

Art. 10.3 Regarding personal data, data subjects are entitled by the law applicable to this contract, to access their personal data and to ask for modification, erasure or blocking.
